Refreshments

Darke County Emergency Medical Services is dedicated to providing quality educational opportunities for pre-hospital emergency personnel, emergency departments, and related areas.

Conference attendees will receive quality educational information and have the opportunity to network with leading EMS instructors from Ohio and across the nation.

Be prepared to hear new information, become inspired, and learn new techniques that will enhance your skills and help you deliver the best care to those we serve.

A variety of vendors will be present at the seminar.
