

Planning for the Cost of Your Baby's Birth

Congratulations on your growing family! This guide provides average 2026 hospital charges for childbirth services at Wayne HealthCare. These estimates are intended to help you plan and may differ from your actual charges.

Hospital Service	Average Hospital Charge
Vaginal Delivery	\$13,705.15
Cesarean Delivery	\$25,412.18
Routine Newborn Care	Approximately \$4,250

Room & Board (Included in the Above Estimates)

Service	Average Charge
Mother Room & Board	\$3,288/day
Newborn Nursery	\$1,588/day

- These estimates reflect average hospital charges only.
- Physician, anesthesia, pediatrician, pathology, radiology, and other professional fees are billed separately.
- Actual charges vary based on your care, length of stay, medications, testing, and any complications.
- Your out-of-pocket cost depends on your insurance benefits, deductible, copay, and coinsurance.
